

CURRICULUM VITAE

Douglas Arnold Drossman, M.D.

Drossman Center for the Education and Practice of Integrated Care, LLC

Drossman Gastroenterology, PLLC

Professor Emeritus of Gastroenterology and Psychiatry, Center for Functional GI and Motility, University of North Carolina at Chapel Hill

Clinical Practice Office:

55 Vilcom Center Drive
Chapel Hill, NC 27514
(919) 929-7990 (phone)
(919) 929-7991 (fax)

Email:

drossman@med.unc.edu;

doug@drossmancenter.com;

Cell: (919) 360-1234

Website: www.drossmancenter.com

EDUCATION:

Academic Diploma, Honors, Jamaica H.S., Jamaica, New York, 1962

B.A., Cum Laude, Hofstra University, Hempstead, New York, 1966

M.D., Albert Einstein College of Medicine, Bronx, New York, 1970

HONORARY DEGREE

“Doctor Honoris Causa” of the “Iuliu Hatieganu” University of Medicine and Pharmacy,
Cluj-Napoca, Romania October 29, 2010

POSTGRADUATE TRAINING:

Medical Internship

University of North Carolina -
North Carolina Memorial Hospital
Chapel Hill, North Carolina
L. G. Welt, M.D., Chairman, Department of Medicine

7/70-6/71

Junior Medical Residency

University of North Carolina
North Carolina Memorial Hospital
Chapel Hill, North Carolina
H. Fallon, M.D., Acting Chairman, Department of Medicine

7/71-6/72

Senior Associate Medical Resident and Teaching Assistant in Medicine

New York University - Bellevue Medical Center
New York, New York
Saul Farber, M.D., Chairman, Department of Medicine

7/72-6/73

Instructor and Fellow in Medicine and Psychiatry (Psychosomatic Medicine)

University of Rochester Medical Center 7/75-6/76
 Rochester, New York
 George L. Engel, M.D., Chairman, Medical-Psychiatric Liaison Group

Fellow in Gastroenterology

Division of Digestive Diseases and Nutrition 7/76-6/78
 Department of Medicine, University of North Carolina
 at Chapel Hill - North Carolina Memorial Hospital
 Chapel Hill, North Carolina
 Don W. Powell, M.D., Chief

MILITARY SERVICE:

Major, United States Air Force Medical Corps 8/73-7/75

Chief of Internal Medicine

USAF Hospital, Bergstrom AFB, Texas

EMPLOYMENT HISTORY:

Professor Emeritus of Medicine and Psychiatry 01/12

School of Medicine
 University of North Carolina at Chapel Hill
 Marschall S. Runge, M.D., Chair, Department of Medicine
 David R. Rubinow, M.D., Chair, Department of Psychiatry

Professor of Medicine and Psychiatry 7/90-12/11

School of Medicine
 University of North Carolina at Chapel Hill
 Marschall S. Runge, M.D., Chair, Department of Medicine
 David R. Rubinow, M.D., Chair, Department of Psychiatry

Associate Professor of Medicine and Psychiatry 7/83-6/90

Assistant Professor of Medicine and Psychiatry 7/78-6/83

Instructor, Department of Medicine 7/77-6/78

Clinical Instructor 11/76-10/77

School of Nursing
 University of North Carolina at Chapel Hill
 Nurse Practitioner Program

CERTIFICATION:

Internal Medicine June 1973
 Gastroenterology October 1979

LICENSURE

North Carolina	August 1976
Texas	January 1974
New York	January 1971

PROFESSIONAL SOCIETIES:

Member, American Psychosomatic Society	1977
Councilor	1985-1988
	1990-1992
Secretary/Treasurer	1992-1995
President-Elect	1995-1996
President	1996-1997
Fellow, American College of Physicians	1978
Member, Durham-Orange County Medical Society	1978
Member, American Federation for Clinical Research	1979
Member, American Gastroenterological Association	1980
Member, American Society for Gastrointestinal Endoscopy	1982
Member, Southern Society for Clinical Investigation	1986
Fellow, Academy of Behavioral Medicine Research	1986
Fellow, American College of Gastroenterology	1989
Fellow, American Academy on Physician and Patient	1992
Master, American College of Gastroenterology	2005
Fellow, American Gastroenterological Association	2006

 Ironwood Pharmaceuticals
 Lexicon Pharmaceuticals
 Ono Pharmaceuticals
 Procter & Gamble
 Prometheus Pharmaceuticals
 Sanofi-Synthelabo
 Sucampo Pharmaceuticals
 Takeda Pharmaceuticals

GRANTS AND AWARDS

GRANTS AND AWARDS: FEDERAL

1. **The Irritable Bowel Syndrome: Characterizing the Patient.** Principal Investigator (35%), 4/1/83 - 3/31/86, #ROIAM29934, National Institutes of Health (NIADDK), \$345,136.
2. **Abuse/Psychosocial Factors in Patients with GI Disorders.** Principal Investigator (40%), 9/1/91 - 8/31/95, #RO1MH46959, National Institutes of Health (NIMH), \$844,476.
3. **Multicenter Trial of Functional Bowel Disorders.** Principal Investigator (40%), 9/30/95 - 8/31/00, #RO1DK49334, National Institutes of Health (DK), \$2,969,913 First year award, \$622,572.
4. **Multicenter Trial of Functional Bowel Disorders.** Principal Investigator (40%), 9/01/00 - 8/31/02, #RO1DK49334, National Institutes of Health (NIDDK), \$877,621 First year award, \$1,544,471 2-year extension of previous award.
5. **Psychophysiology of Irritable Bowel Syndrome.** Co-Investigator (20%) with William E. Whitehead, PhD, Principal Investigator. 12/1/97- 11/30/02 National Institutes of Health (NIDDK), \$840,402 First Year Award,

\$124,367. (Bridge funds, \$92,889 awarded for 7/1/97-11/30/97)

6. **Gastrointestinal Biopsychosocial Research Center at UNC. Response to RFA OB-03-004.** 7/01/04 – 6/30/09; R24 DK067674 Co-Principal Investigator (20%) with William Whitehead, Co-Principal Investigator (20%). National Institutes of Health (NIDDK) First year award \$993,453 (\$682,089 direct), and full-term 5-year award, \$4,953,824 (\$3,401,217 direct).
7. **Multicenter trial of combined cognitive behavioural therapy and antidepressant treatment in functional bowel disorders.** 05/01/2005 - 04/30/2010; Co-investigator with Brenda Toner, Principal Investigator. Canadian Institute of Health Research (CIHR). First year award \$270,637, full-term 5-year award, \$1,416,740. UNC Subcontract amount: First year award \$65,573, full-term 5-year award \$503,868.
8. **Evaluating Predictors & Interventions in Sphincter of Oddi Dysfunction (EPISOD).** Co-Principal Investigator (10%) with Peter Cotton, Principal Investigator. 09/15/07 – 06/30/12, #U01DK074739, National Institutes of Health (NIDDK). First year award \$901,578, full-term 5-year award, \$6,146,062. UNC Subcontract amount: First year award \$34,177, full-term 5-year award \$119,620.

GRANTS AND AWARDS: FOUNDATIONS

1. **Medical Liaison Development Fund**, funded by S. S. Zlinkoff Foundation, 1979, \$5,500; Renewal 1980, \$6,500.
2. **Health related quality of life in patients with IBD.** Pilot study. Core Center for Diarrheal Diseases (CCDD), UNC. Principal Investigator, 4/1/86-8/31/86, \$10,000.
3. **Mail Survey of Health Related Quality of Life in IBD.** National Foundation for Ileitis and Colitis, New York, N.Y. Principal Investigator, 7/1/87-12/31/88, \$5,000.
4. **Planning Grant: Health Related Quality of Life in an Israeli IBD Population.** Co-Investigator with Dr. Ami Sperber, Bersheva Medical Center, Jerusalem, Israel, 3/15/93-12/31/93, \$6,000.
5. **Clinical and Physiological Characteristics of Functional Distal Esophageal Disorders.** Multinational Working Teams to Develop Diagnostic Criteria for Functional Gastrointestinal Disorders. Co-Investigator with Dr. Yehuda Ringel MD, Principal Investigator 1/1/99-12/31/99, \$29,970.
6. **ACG Institute 2002 Clinical Scholar Award.** American College of Gastroenterology. 07/02-07/03, \$15,000.
7. **United States-Israel Binational Science Foundation Proposal: “Is Gynecological Surgery Associated with Subsequent Development of IBS and Other Painful Disorders.”** Co-Investigator with Ami Sperber MD, Principal Investigator. 9/2002-06/2006, \$219,977. US component, \$71,427.
8. **APS President’s Award.** American Psychosomatic Society. 03/2003, \$1,000.
9. **Does Education Improve Outcome in Patients with Irritable Bowel Syndrome?** American College of Gastroenterology. Co-Investigator with Alben Halpert MD, and Charlene Prather, MD, Principal Investigators. 07/01/02-06/30/03, \$35,000.
10. **American College of Gastroenterology Clinical Scholar Award.** American College of Gastroenterology 7/1/03 – 6/30/04. \$15,000.
11. **The Epidemiology of Functional Gastrointestinal Disorders in Latin America: A Population-based Study.** Co-Investigator with Principal Investigator, Loreto Cortes, MD, Rodolfo Peña, MD, and Douglas Morgan, MD, Rome III Committees, 7/1/03 – 6/30/04, \$30,000.
12. **Miles and Shirley Fiterman Joseph B. Kirsner Award in Clinical Research.** American Gastroenterological Association. 07/01/05-06/30/06. \$35,000

13. **Atkins Foundation Award to Study the Effects of a Very Low Carbohydrate Diet on Symptoms of IBS.** Principal Investigator with Greg Austin, MD co-Principal Investigator. 8/01/05 – 7/30/07 \$25,000.
14. **S&R Foundation.** Award for support of UNC Functional GI and Motilities Clinical Services. 7/01/06 – 6/31/07. \$100,000.
15. **Columbia University Celiac Disease Center.** Principle Investigator with Spencer Dorn, UNC, Peter Green and Lincoln Hernandez, Columbia University. 4/1/06 – 3/31/08. \$25,000
16. **S&R Foundation.** Award for support of UNC Functional GI and Motility Clinical Services. 7/01/07 – 6/30/08. \$100,000.
17. **United States-Israel Binational Science Foundation Proposal: “IBS and Sleep”.** Co-Investigator with Ami Sperber MD and Ariel Tarasiuk, MD. 10/01/08- 09/30/11. US Component \$48,070.
18. **S&R Foundation.** Award for support of UNC Functional GI and Motility Clinical Services. 7/01/08 – 6/30/09. \$100,000.
19. **S&R Foundation.** Award for support of UNC Functional GI and Motility Clinical Services. 7/01/09 – 6/30/10. \$100,000.
20. **S&R Foundation.** Award for support of UNC Functional GI and Motility Clinical Services 7/01/10-6/30/11 \$50,000.

GRANTS AND AWARDS: PHARMACEUTICAL

A. INVESTIGATOR INITIATED STUDIES

1. **Gift for personal research activities.** Sandoz Pharmaceuticals, 12/90, \$5,000.
2. **The Prevalence of Functional Gastrointestinal Disorders in a Randomized National Sample.** Procter & Gamble Co. Inc. Principal Investigator, 3/1/90-12/31/90, \$15,000.
3. **Clinical and Physiological Differences Among Sub-groups of IBS: A comparison of IBS with Constipation, IBS with Diarrhea and Mixed/Alternators.** Principal Investigator. Novartis Pharmaceuticals, Project Period - 9/30/03 – 12/31/04. \$249,199.
4. **Clinical and Physiological Differences Among Subgroups of IBS: A Comparison of IBS with Constipation, IBS with Diarrhea, and Mixed/Alternators.** Principal Investigator with Christine Dalton, PA-C. Novartis CHTF919-US-32, 12/31/04-12/30/05, \$248,073
5. **Clinical, Physiological and Psychological Differences Among Subgroups of IBS: A Comparison of IBS with Constipation/Mixed, IBS with Diarrhea/Mixed and Alternators .** Novartis Pharmaceuticals. CHTF919AUS32, 10/10/05-3/30/06, \$184,893.
6. **Proposal to Compare Rome II with Rome III Irritable Bowel Syndrome Subtypes .** Principal Investigator. Novartis CHTF919-US-32, 09/15/06 – 03/15/07, \$74,995.
7. **Development of a Questionnaire to Measure Hypervigilance for Visceral Pain.** Co-Principal Investigator with William Whitehead. Takeda Pharmaceuticals. 07/01/07 – 06/30/09, \$66,160.
8. **Lubiprostone Effects on Visceral Pain Sensitivity.** Co-Principal Investigator with William Whitehead. Takeda Pharmaceuticals. 07/01/07 – 06/30/09, \$189,028.

9. **An Open Label Study of Seroquel SR® (Quetiapine) for the Treatment of Refractory Functional Bowel Disorders.** Principal Investigator with Stephan Weinland PhD. AstraZeneca Protocol Number: IRUSQUET0448. 11/19/07-11/30/11, \$293,260.
10. **A Proposal to Evaluate Time-Specific Relationships Between Variables of Pain, Stress, and Bloating in the Onset of IBS Diarrhea and Constipation Symptoms using Ecological Momentary Assessment (EMA).** Principal Investigator with Stephan Weinland, PhD. Takeda Pharmaceuticals. 02/01/08 – 01/31/09, \$258,165.
11. **A proposal to use ecological momentary assessment (EMA) to evaluate time-specific relationships of stress and other factors with symptoms of diarrhea in patients with functional diarrhea or IBS-D/M and their responses to Loperamide-Simethicone treatment.** Principal Investigator with Stephan Weinland, PhD. McNeil Consumer Healthcare. 01/01/09 - , \$400,713.
12. **Partner Burden in IBS.** Principal Investigator. Takeda Pharmaceuticals Inc. 10/01/08 - 01/31/11, \$106,550.00.
13. **The Narcotic Bowel Syndrome: Clinical features and prognostic factors.** Protocol 3200K1-4013. Principal Investigator. Wyeth Pharmaceuticals Inc. 04/01/09 - 10/14/11, \$111,750.00.
14. **Improving Physician Communication and Patient Education with Innovative and Interactive Learning Methods.** Principal Investigator. Takeda Pharmaceuticals North America, Inc., 01/05/2010-12/31/2010, \$112,384.64.
15. **A Program to Improve Quality of Care Using Patient Reported Data in a Tertiary Care Functional Gastrointestinal Disorders Clinic.** Ironwood Pharmaceuticals, Inc. Principal Investigator, 02/22/10-02/21/12. \$54,542.00.
16. **A Program to Improve Quality of Care Using Patient Reported Data in a Tertiary Care Functional Gastrointestinal Disorders Clinic.** Salix Pharmaceuticals, Inc., Principal Investigator, 04/01/10-03/31/11, \$50,000.00, second year award 04/01/11-03/31/12. \$51,515.04.
17. **A Program to Improve Quality of Care Using Patient Reported Data in a Tertiary Care Functional Gastrointestinal Disorders Clinic.** Takeda Pharmaceuticals, Inc. Principal Investigator, 07/01/11-06/30/11. \$146,300.
18. **Creation and Validation of a Paired Survey Instrument to Study the Quality of Patient -Physician Relationships in Irritable Bowel Syndrome.** Ironwood Pharmaceuticals, Principal Investigator, 07/01/11-06/30/12, \$49,463.00.
19. **Randomized double blind placebo control trial of Milnacipran in IBS population.** Forest Pharmaceuticals, Principal Investigator, 12/1/2011- 12/1/2013, \$390,390.80
20. **The Narcotic Bowel Syndrome: Clinical features and prognostic factors.** Salix Pharmaceuticals, Inc., Principal Investigator, 03/01/2011-05/31/2012, \$44,667.
21. **Creation and Validation of a Paired Survey Instrument to Study the Quality of Patient-Physician Relationships in Irritable Bowel Syndrome.** Co-Principal Investigator with Jacob Kurlander MD and William Chey, MD 07/01/12-06/30/13 \$114,637

B. PHARMACEUTICAL INITIATED STUDIES

1. **Smith, Kline and Beckman award for study of the irritable bowel syndrome.** 1982, \$7,500.
2. **A Pilot Evaluation of BW942C in the Treatment of IBS.** Burroughs Wellcome Co. Inc., Research Triangle Park, N.C. Principal Investigator, 12/84-12/85, \$32,400.

3. **A Parallel Study of Buspirone in the Treatment of IBS.** Bristol-Myers Pharmaceutical Group, Evansville, Ind. Principal Investigator, 4/1/88-4/30/90, \$50,500.
4. **Study of Subgroups of Irritable Bowel Syndrome in a Randomized National Sample.** Procter & Gamble Co. Inc. Principal Investigator, 1/1/91-9/30/91. \$12,000.
5. **A Parallel Study to Determine the Efficacy of Librax for Treatment of Irritable Bowel Syndrome.** Hoffmann La Roche Co.
6. **Survey of Illness Severity in Functional Bowel Disorders.** Glaxo Corporation. 3/19/93, \$9,860.
7. **Development of a Quality of Life Instrument for Irritable Bowel Syndrome.** Sandoz Corporation. 1/1/95-9/1/95, \$50,000.
8. **An Investigative Survey to Determine Optimal Methods for Measuring Clinical Endpoints in Patients with Irritable Bowel Syndrome.** Smith Kline Beecham. 4/1/95-8/1/95, \$45,000.
9. **Multicenter Trial of Fedotozine in Treatment of Irritable Bowel Syndrome.** Glaxo Corp. 1/1/95-4/30/95, \$52,000.
10. **A Double-Blind Study to Compare the Efficacy and Safety of SB-207266-A with Placebo in Patients with Irritable Bowel Syndrome.** Smith Kline Beecham. 8/1/96-7/31/97, \$65,000.
11. **A Multicenter, Double-blind, Placebo Controlled, Parallel Group Dose-response Study of Controlled Release Darifenacin in Treatment of IBS.** Pfizer Corp. 1/1/97-12/31/97, \$56,175.
12. **Multicenter Trial of Alosetron In Treatment of IBS.** Glaxo-Wellcome. 1/1/98-12/31/98, \$22,850.
13. **A Double-Blind, Randomized, Placebo-Controlled Phase II Clinical Trial of OPC 12759 (Rebamipide) for the Treatment of Non-Ulcer Dyspepsia in Patients with/without Helicobacter Pylori.** Otsuka. 4/1/98-12/31/98, \$148,860.
14. **An 8-Week Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Efficacy and Safety of Alosetron (GR68755) 1 Mg BID in the Treatment of Anxiety in Females with Irritable Bowel Syndrome.** Glaxo-Wellcome. 7/1/97-6/30/98, \$93,574.50.
15. **A Double-Blind, Placebo-Controlled Dose Ranging Study to Compare the Efficacy and Safety of Three Doses of SB-207266-A (20mg, 5mg and 1 mg od) with Placebo Over 12 weeks in the Treatment of Irritable Bowel Syndrome.** SmithKline Beecham. 7/27/98-7/26/99, \$52,864.
16. **A 12-Month Randomized, Double Blind, Placebo-Controlled Study to Evaluate the Quality of Life and Safety Associated with the Long-Term Use of Alosetron (GR68755) in Subjects with Irritable Bowel Syndrome.** GlaxoWellcome. 5/15/98-12/31/99, \$40,212.
17. **A Single-Blind, Placebo Controlled Continuation Study to Investigate the Safety of SB-207266-A.** SmithKline Beecham. 9/1/98-12/22/98, \$72,800.
18. **A 12-week, randomized, double-blind, placebo-controlled, study of Alosetron (GR68755) in male subjects with alternating diarrhea/constipation irritable bowel syndrome.** ICON Protocol #S3B20023. 3/15/00-12/15/00, \$21,000.
19. **A 12 week randomized, double-blind, placebo-controlled study of Alosetron (GR68755) in female subjects with alternating diarrhea/constipation irritable bowel syndrome.** ICON Protocol #S3B20013. 3/15/00-12/15/00, \$21,000.

20. **A dose-ranging safety and efficacy study of the effect of Recombinant-Methionyl Human Neurotrophin-3 (NT-3) on bowel function in patients with constipation.** Regeneron Pharmaceuticals, Inc. 5/15/00-5/14/01, \$52,570.
21. **A study to evaluate the safety and efficacy of TAK-637 (30 mg BID, 60 mg BID and 120 mg BID) versus placebo in subjects with irritable bowel syndrome.** TAP Holdings-Phoenix International. Protocol TAK-637-99-201. 7/20/00-7/19/01, \$41,030.
22. **A randomized, double-blind, placebo-controlled multicenter study to assess the efficacy, safety and tolerability of tegaserod 2 mg bid and 6 mg bid given orally vs. placebo in patients with chronic constipation CHTF919 E 2302.** Novartis Pharmaceuticals Corporation. 9/1/01-9/1/02, \$45,860.
23. **A 12-Week, Randomized, Double-Blind, Placebo-Controlled, Fixed-Dose, Parallel Group, Multicenter Study of The Safety and Efficacy of Dexloxyglumide 200 MG B.I.D. and 200 MG T.I.D. in Female Patients with Constipation-Predominant Irritable Bowel Syndrome DEX-MD-01A.** Forest Laboratories/ICON. 02/20/02-6/17/03, \$99,070.
24. **An Open-Label Extension of Study DEX-MD-01A to Investigate the Long-Term Safety and Efficacy of Dexloxyglumide 200 MG T.I.D. in Female Patients with Constipation-Predominant Irritable Bowel Syndrome DEX-MD-01B.** Forest Laboratories/ICON. 2/20/02-11/14/03, \$49,940.
25. **An Open-Label Extension of Study Dex-MD-01B and Dex-MD-02B To Investigate the Long-Term Safety and Efficacy of Dexloxyglumide 200 MG T.I.D. In Female Patients with Constipation-Predominant Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Forest Laboratories, Inc. Protocol DEX-MD-10. Project period- 02/13/03-11/14/03. \$14,000.
26. **A Double-Blind, Placebo-Controlled, Randomized, Multicenter Study to Investigate the Safety and Efficacy of 2 mg TID of Cilansetron Over 12 Weeks Followed by a 4-Week Randomized Treatment Period in Diarrhea-Predominant Irritable Bowel Syndrome Subjects.** Principal Investigator with Christine Dalton, PA-C. Solvay Pharmaceuticals, Inc./Quintiles, Inc. Protocol S2413011. 06/20/02-10/20/03. \$34,716.
27. **An Eight-Week, Randomized, Double-Blind, Placebo-Controlled, Dose-Ranging Study to Evaluate Efficacy and Safety of SB 223412 in Subjects with Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. GlaxoSmithKline. Protocol SB223412. 7/30/02 – 7/29/03. \$37,084.
28. **A Multi-Center, Double-Blind, Randomized, Placebo-Controlled, Phase III Study of the Efficacy and Safety of Oral RU-0211 for the Treatment of Occasional Constipation.** Principal Investigator with Christine Dalton, PA-C. Sucampo Pharmaceuticals. Protocol SPI 0211SC0232. Project period – 2/13/03-10/14/03. \$43,200.
29. **A 12-Week, Double-Blind, Randomized Study of the Safety and Efficacy of Oral SPI-0211 in Subjects with Constipation-Predominant Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Sucampo Pharmaceuticals. Protocol SPI 0211 SC0221. Project period – 06/01/03-12/31/04. \$40,000.
30. **A Twelve-Week Randomized, Double-Blind, Placebo-Controlled, Parallel Group Study to Assess the Safety and Efficacy of 0.5 mg QD, 1 mg QD, and 1 mg BID of Alosetron in Female Subjects with Severe Diarrhea Predominant IBS Who Have Failed Conventional Therapy.** Principal Investigator with Christine Dalton, PA-C. GlaxoSmithKline. Protocol S3B30040 Project period 09/15/03-09/14/04. \$31,739
31. **A Multicenter, Double-Blind, Placebo-Controlled Efficacy and Safety Study of Low-Dose Naltrexone HCl (PTI-901) in Female Patients with Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Pain Therapeutics. Protocol PTI-901-NB, 1/15/04-07/01/05, \$43,297.
32. **A Multicenter, Double-Blind, Placebo-Controlled Efficacy and Safety Study of Low-Dose Naltrexone HCl (PTI-901) in Male Patients with Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Pain Therapeutics Protocol PTI-901-NC, 1/15/04-07/01/05, \$42,999.

33. **A 4-week, multicenter, double-blind, placebo-controlled, randomized, parallel-group, clinical study to evaluate the efficacy of tegaserod in relieving the symptoms of female patients with Irritable Bowel Syndrome (IBS), excluding those with predominant diarrhea IBS.** Principal Investigator with Christine Dalton, PA-C. Novartis HTF-919-A-2417, 11/30/2004 - 11/30/2005, \$9930
34. **A randomized, double-blind, placebo-controlled, multicenter 2-week pilot study to evaluate the efficacy, safety and tolerability of DNK333 (25 and 100 mg bid) given orally In Female Patients With Irritable Bowel Syndrome With Diarrhea (IBS-D).** Principal Investigator with Christine Dalton, PA-C. Novartis DNK-333-B-2201, 11/30/2004 - 11/30/2005, \$21,960
35. **A randomized, double-blind, multicenter study comparing AZD7371/NAD-299 to placebo in the treatment of irritable bowel syndrome.** Principal Investigator with Christine Dalton, PA-C. Astra Zeneca D-1803C-00001, 7/1/2004 - 6/30/2005, \$16,614
36. **A Randomized, Double-Blind, Placebo-Controlled Study to Assess the Safety and Efficacy of TRN-002 (crofelemer) for the Symptomatic Treatment of Diarrhea-Predominant Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Trine TRN-002-201, 2/24/2005-2/23/2007, \$34,710
37. **Procurement of serum samples from irritable bowel syndrome (IBS) subjects for use in development of a diagnostic test for inflammatory bowel disease (IBD).** Principal Investigator with Christine Dalton, PA-C. Prometheus 05-IBD-05, 07/01/05-06/30/06, \$10,200.
38. **A 12-Week, Multicenter, Double-Blind, Randomized Efficacy and Safety Study of Lubiprostone in Subjects with Constipation-Predominant Irritable Bowel Syndrome (Phase III).** Principal Investigator with Christine Dalton, PA-C. Sucampo Pharmaceuticals. SPI/0211SIB-0432. Initial study 8/1/2005 -7/31/2006, \$50,000; Open-Label Extension, 9/30/2005 -9/29/2006, \$61,460
39. **A Phase II study to investigate the safety and efficacy of dexloiglumide for the relief of symptoms of functional dyspepsia.** Principal Investigator with Christine Dalton, PA-C. Forest Research Institute DEX-MD-20, 04/01/06 - 03/31/07, \$40,000
40. **A Randomized, Multicenter, Double-blind, Parallel-design, Phase 2 Trial of Oral MD-1100 Acetate Administered for 14 Days Once Daily at 100 ug, 300 ug, 1000 ug, or Placebo to Patients with Chronic Constipation.** Principal Investigator with Christine Dalton, PA-C. Microbia MCP 103-004, 04/01/06 - 03/31/07, \$47,000.
41. **A 12 Week Randomized, Double-Blind, Dose-Ranging, Placebo-Controlled Study of Asimadoline in Subjects with Irritable Bowel Syndrome.** Principal Investigator with Christine Dalton, PA-C. Tioga ASMP2003, 06/15/06 - 06/14/09, \$120,330.
42. **A Randomized, Placebo-Controlled, Double-Blind Study of TD-5108 for the Treatment of Chronic Constipation.** Principal Investigator with Christine Dalton, PA-C. Theravance TD-5108, 11/01/06 – 10/31/09. \$17,047.
43. **An Open Label Safety Study of Lubiprostone for Constipation-Predominant Irritable Bowel Syndrome.** Principal Investigator. Sucampo (Open Label) 0211-SIB-05S1, 10/25/2005 - 10/24/2012, \$15,352.
44. **A Randomized, Double-Blind, Placebo-Controlled Study to Assess the Safety and Efficacy of TRN-002 (crofelemer) for the Symptomatic Treatment of Diarrhea-Predominant Irritable Bowel Syndrome (d-IBS) in Females** Principal Investigator. TrineTRN-002-202, 8/21/2006 - 8/20/2009, \$46,112.
45. **A Randomized, Multicenter, Double-Blind, Placebo-Controlled, Dose-Range-Finding, Parallel-Group, Phase 2 Trial of Oral Linaclotide Acetate Administered to Patients with Chronic Constipation.** Principal Investigator with Christine Dalton. Microbia 103-201, 3/20/2007-8/31/2008, \$39,042.

46. **A Multicenter, Multiple-Dose, Double-Blind, Randomized, Placebo-Controlled Parallel Group Study of the Safety and Efficacy of Oral AGN 203818 Given Twice Daily for 4 Weeks for the Relief of Irritable Bowel Syndrome (IBS) Pain.** Principal Investigator with Christine Dalton. Allergan Protocol Number: 203818-008-00. 3/29/07-2/28/09, \$139,478.
47. **A Randomized, Double-blind, Placebo-controlled Study of AGI-003 (Arverapamil) in the Treatment of Irritable Bowel Syndrome with Diarrhea (IBS-D).** Principal Investigator. AGI Therapeutics Research Ltd. Protocol Number AGI003-003, 11/15/07-11/14/08, \$34,336.
48. **An Open-label, Roll-over Safety Study of AGI-003 (Arverapamil) in the Treatment of Irritable Bowel Syndrome with Diarrhea (IBS-D).** Principal Investigator. AGI Therapeutics Research Ltd. Protocol Number Clin-AGI003-007, 1/15/08-1/14/2009, \$26,750.
49. **A Randomized, Double Blind, Placebo-Controlled Study to Evaluate the Safety and Effectiveness of DDP733 in female patients with Irritable Bowel Syndrome with Constipation.** Principal Investigator. Dynogen. Protocol DDP733-07-010, 1/15/08-1/14/09, \$35,537.
50. **A Randomized, Multicenter, Double-Blind, Placebo-Controlled, Dose-Range-Finding, Parallel-Design, Phase 2 Trial of Oral Linaclotide Acetate Administered to Patients with Irritable Bowel Syndrome with Constipation.** Principal Investigator with Christine Dalton. Microbia 103-202, 6/1/2007-7/30/2008, \$34,280.
51. **A Phase 3, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Trial of Linaclotide Administered Orally for 12 Weeks Followed by a 4 Week Randomized Withdrawal Period in Patients with Chronic Constipation.** MCP-103-303. Ironwood, 10/01/2008- , \$90,250.
52. **A Phase 3, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Trial of Linaclotide Administered Orally for 26 Weeks in Patients with Irritable Bowel Syndrome with Constipation.** MCP-103-302. Ironwood, 10/01/2008-11/30/2010, \$90,000.
53. **An Open-Label, Long-Term Safety Study of Oral Linaclotide Administered to Patients with Chronic Constipation or Irritable Bowel Syndrome with Constipation.** MCP 103-305. Ironwood, 10/01/2008-08/15/2011, \$51,400.
54. **Collection of Blood Samples for the Discovery of Biomarkers Associated with Irritable Bowel Syndrome.** Clinical Protocol 08IBS04. Prometheus, 5/6/2009-12/31/2010, \$141,248.
55. **A 12-Week, Randomized Double-Blind, Placebo-Controlled Study of Asimadoline in Subjects with Diarrhea-Predominant Irritable Bowel Syndrome.** ASMP3001. TIOGA, 04/01/2010-02/28/2013, \$45,100.
56. **A Phase IIa Randomized, Double-Blind, Placebo-Controlled, 7-Day Repeat, Oral-Dose Study to Assess the Safety and Pharmacodynamic Effects of SP-304 in Patients with Chronic Idiopathic Constipation (CIC).** SP-SP304201-09. Synergy, 03/01/2010-04/06/2011, \$41,011.20.
57. **A Randomized, Double-blind, Placebo-controlled, Parallel-group, Dose-ranging, Multicenter Study to Evaluate the Efficacy, Safety, and Tolerability of JNJ-27018966 in the Treatment of Patients with Irritable Bowel Syndrome With Diarrhea.** 27018966IBS2001. Furiex, 7/06/2010-06/20/2011, \$70,016.00
58. **A Randomized, Double-blind, Placebo Controlled Study to Assess the Safety and Efficacy or RDX5791 for the Treatment of Constipation Predominant Irritable Bowel Syndrome (IBS-C).** Ardelyx 7/01/2011 – 6/30/2012, \$51,979.
59. **Educational Grant for Creating Editorials on FGIDs for Primary Care Physicians in *The Triangle Physician*.** Entera Health 9/01/13-8/31/14 \$5000

GRANTS AND AWARDS: UNIVERSITY OF NORTH CAROLINA.

1. **Junior Faculty Development Award.** University of North Carolina \$3,000, 1981.
2. **Jefferson-Pilot Fellowship in Academic Medicine.** University of North Carolina, \$8,000, 1981-85.
3. **TEAM Mini-Grant for the Development of a Natural Language Inquiry Computerized Patient Simulation.** University of North Carolina, 4/7/88, \$4,000.
4. **Dept. of Medicine Award for study of Health Related Quality of Life in IBD.** University of North Carolina, 2/1/89, \$3,500.
5. **Kenan Professor-Sabbatical.** University of North Carolina, 2002-2003, \$56,000.
6. **Division of Gastroenterology and Hepatology Eugene M. Bozymski Award in Endoscopy,** presented by the GI fellows, 6/19/04, \$500.
7. **Division of Gastroenterology and Hepatology Mentor Award,** presented by the GI fellows, 6/11/06.

COMMITTEES (Research, Service, Education):

DEPARTMENT OF MEDICINE:

Internship Selection Committee	1977 -
House staff-Faculty Committee	1980 - 1984
Chairman, Selection Committee, Mack Lipkin Sr. Visiting Professorship	1983 - 1990

MEDICAL SCHOOL:

Committee for Curriculum Review III. Subcommittee on Transition from The Basic Sciences to the Medical Sciences	1981-1983
Health Promotion/Disease Prevention Steering Comm.	1983-1985
Residency Student Advisor	1991-
UNC Medical Practice and the Community (MPAC); Content Subcommittee	1995
Planning Committee, UNC-Duke DOD Center of Excellence for Guard and Reserve in NC	2011-

NATIONAL:

American Gastroenterological Association (AGA)

Council on Nerve-Gut Interactions	1981-1986
Program Selection Committee Member - Clinical	1985-1986
Program Selection Chairman-Functional Nerve/Gut	1990-1992
Education and Training Committee	1993-1996
GLC Curriculum Task Force on Motility	1994-1995, 2001
Chair, Abstract Selection, Functional GI Disorders	1998
Abstract Selection Committee, Functional GI Disorders	1999
Clinical Teaching Project	1994-2002
Nominating Committee	1998
Abstract Selection Committee: Pharmacological Treatment of FGID (#87)	2000
Co-Chair, Motility & Nerve-Gut Interactions Section	2001-2003
Chair, Motility & Nerve-Gut Interactions Section	2003-2006
AGA Press Working Group	2005-
AGA Fellow (AGAF)	2006-
AGA Nominating Committee	2006-2007
AGA Research Awards Panel	2007-2010
AGA Institute CME Medical Advisory Board	2009-

FDHN Corporate Development Committee	2009-
AGA Academy of Educators	2012-
 <i>American Psychosomatic Society</i>	
Council Member	1985-1988 1990-1992
1986 Meeting Program Committee	1985-1986
Chairman, Membership Committee	1988-1992
1992 50th Anniversary Program Committee	1991-1992
Secretary/Treasurer	1992-1995
Finance Committee	1992-2000
Liaison Committee	1993-2001
Long Range Planning Committee	1993-2000
1994 Program Committee	1993-1994
President-Elect	1995-1996
President	1996-1997
APS Neurosciences Committee	2004-
APS-APA Evidence-Based Behavioral Medicine Committee	2005-
APS Journal Committee	2007-2010
 <i>American College of Gastroenterology (ACG)</i>	
Abstract Selection Committee - Small bowel	1992
Chairman, Ad Hoc Committee on Doctor/Patient Relations	1992-1994
Patient Care Committee (Co-Chair 1995-1997)	1995-
Master, American College of Gastroenterology	2005
 <i>Functional/Brain-Gut Research Group of AGA (FBGRG) 1989-</i>	
Chair	1989-1994
Newsletter Editor	1989-
 <i>American College of Physicians (ACP)</i>	
MKSAP IX Program Committee (Gastroenterology)	1989-1991
 <i>American Digestive Disease Society</i>	
Selection Committee: Research Investigator Award of Brain-gut Hormones	1987
 <i>American Academy on Physician and Patient</i>	
Charter Fellow and Faculty Coordinator	1988-
 <i>Crohn's and Colitis Foundation of America (CCFA)</i>	
IBD Forum Planning Committee	1991-1996
Patient Education Committee	1994-
 <i>National Institutes of Health (NIH)</i>	
Planning Committee:	
"IBS: State of the-Art and Research Objectives" Symposium	1992
Program Coordinator:	
"1st Int'l Symposium on Functional Gastrointestinal Disorders"	1995
NIDDK Functional GI and Motility Disorders Working Group	2006-2007
NIH-NCCAM Data Safety and Monitoring Board: "Traditional Chinese Medicine for Irritable Bowel Syndrome (TCM-IBS), International	2005-2011

Faculty of 1000; Section Psychiatric Aspects of Somatic – Gastroenterology (www.f1000.com)	2013

ADMINISTRATIVE ACTIVITIES, SCHOOL OF MEDICINE:

Co-Director, Medical-Psychiatric Liaison Program, Faculty-Resident Study Group	1977-1990
Ad Hoc Member, Consultation-Liaison Division, Dept. of Psychiatry Gary Gala, MD, Director	1978-
Associate Medical Director: Carolina Fitness Program	1988-1991
Co-Director, UNC Center for Functional GI and Motility Disorders	1994-2011
Co-Director Emeritus UNC Center for Functional Gi and Motility Disorders	2012-

MISC. HONORS AND AWARDS:

1. Who's Who in American Colleges and Universities	1965-1966
2. NFIC Tar Heel Research Council Award, Inflammatory Bowel Disease	1990
3. "Best Doctors in America" Woodward/White Publ., Inc.	1992-1995
	1998-1999
	2001-2002
	2002-2003
	2003-2004
	2005-2006
	2006-2007
	2007-2008
	2008-2009

	2009-2010
	2010-2011
	2011-2012
	2012-2013
	2013-2014
	1996-1997
4. "Best Doctors in America - Southeast Region"	
5. Who's Who in the South and Southwest	
a. 22 nd Edition	1992-1993
b. 23 rd Edition	1993-1994
c. 24 th Edition	1994-1995
d. 26 th Edition	1995-1996
e. 27 th Edition	1996-1997
f. 28 th Edition	1997-1998
6. Amer. Psychosomatic Society Visiting Scholar Award	1994
7. Who's Who in the World	
a. 12 th Edition	1995-1996
b. 24 th Edition	2007-2008
c. 25 th Edition (Silver Edition)	2008-2009
d. 26 th Edition	2009-2010
e. 27 th Edition	2010-2011
8. Intl. Who's Who in Medicine; 2nd Edition	1995-1996
9. Who's Who in American Education	1996-2006
10. Who's Who in Medicine and Healthcare	
a. 1 st Edition	1997-1998
b. 2 nd Edition	1999-2000
c. 4 th Edition	2002-2003
d. 6 th Edition	2006-2007
e. 7 th Edition	2009-2010
f. 8 th Edition	2011-2012
11. Who's Who in Science and Engineering	
a. 9 th Edition	2007-2008
b. 10 th Edition	2008-2009
c. 11 th Edition	2011-2012
12. Cercle André Lambling, May 1998	1998
13. Janssen Award for Clinical Research in Digestive Diseases	1999
14. Functional Brain-Gut Research Scientist Award	2001
15. "America's Top Doctors"-2 nd -12 th editions, Castle Connolly Medical Ltd.	2001-2012
16. ACG Clinical Scholar Award	2002-2003
17. APS President's Award. American Psychosomatic Society	2003
18. Who's Who in America	
a. 58 th Edition	2004
b. 59 th Edition	2005
c. 60 th Edition	2006
d. 61 st Edition	2007
e. 62 nd Edition	2008
f. 63 rd Edition	2009
g. 64 th Edition	2010
h. 65 th Edition	2011
i. 68 th Edition	2014
19. American Gastroenterological Association Distinguished Educator Award	2004
20. AGA Miles and Shirley Fiterman Joseph B. Kirsner Award in Clinical Research	2005
21. AGA Fellow (AGAF)	2006
22. AGA Mentors Research Scholar Award	2007
23. Selected for "Inside the Minds: The Art and Science of Gastroenterology" Aspatore Press	2007
24. "Top Gastroenterologist" Men's Health Magazine April, 2007	2007

- | | |
|---|-----------|
| 25. "Top Gastroenterologist- South" Women's Health Magazine November, 2008 | 2008 |
| 26. America's Top Doctors – Castle Connolly | 2000-2013 |
| 27. "Doctor Honoris Causa" - Senate of the University of Medicine and Pharmacy
Iuliu Hatieganu rom Cluj, Romania | 2009 |
| 28. Presidential Who's Who Among Business and Professional Achievers | 2010 |
| 29. Patients' Choice Award | 2008-2013 |
| 30. Top Doctor, US News and World Report | 2011 |
| 31. David Sun Award – American College of Gastroenterology | 2012 |

57. "Physician Patient Relationship." Keynote Lecture. XXXIII Pan American College of Gastroenterology. November 10, 2012. Panama City, Panama.
58. "Improving the Physician-Patient Relationship in Functional GI Disorders Through Communication Skills". Medical Grand Rounds. Mayo Clinic Arizona. January 18th, 2013. Scottsdale, AZ.
59. "IBS-C - Current Approach to Diagnosis and Management". Chinese Congress on Digestive Diseases (CCDD) September 21, 2013. Shanghai, China.
60. "Rome Criteria: History and State of the Art." Keynote Lecture. Portuguese Society of Gastroenterology Monothematic Meeting, February 1, 2014. Lisbon, Portugal.
61. "Genesis and Maturation of IBS and the Functional GI Disorders: The First 50 Years" Keynote Lecture. Visiting Professor. Sahlgrenska Academy. March 26, 2014. Gothenburg, Sweden.

PRESENTATIONS AND PANELS (SELECTED):

1. National Institutes of Health Workshop on Functional Bowel Disorders, Bethesda, Maryland, participant discussant, October 25-27, 1979.
2. "Teaching Medical Interviewing." Panel Moderator and Discussant at American Psychosomatic Society Annual Meeting, Workshop in Liaison Psychiatry. New York, March 27, 1980.
3. "The Irritable Bowel Syndrome: Behavioral Considerations in Diagnosis and Patient Care." Symposium on "Practical Approaches to the Management of Irritable Bowel," sponsored by Roche Laboratories, Nutley, New Jersey, held on Nantucket Island, Massachusetts, October 19-21, 1980.
4. "Dysfunctional Doctor-Patient Relationships: A Study of 200 Dyads and Clinical Comment," Panel Discussant at American Psychosomatic Society Annual Meeting, Workshop in Liaison Psychiatry. Boston, MA, March 26, 1981.
5. "The Neuromuscular Disorders of the Gastrointestinal Tract." American Gastroenterological Association Postgraduate Course. "Breakout" session discussant for clinical case presentations. New York City, NY May 16-17, 1981.
6. "Psychogenic Abdominal Pain." Presented at the International Symposium on Functional Disorders of the Digestive Tract. Rochester, New York, October 15-17, 1981.
7. "Role of Life Stresses and Emotional Responses," presented at Pennsylvania State Society of Gastroenterology Symposium: "Current Concepts of Peptic Ulcer Disease." Philadelphia, September 12, 1982.
8. "Evaluation and Management of GI Bleeding" and "Diagnosis and Management of Irritable Bowel Syndrome," presented at Wright State University School of Medicine Symposium: "Gastroenterology - 1983." Dayton, Ohio, March 9, 1983.
9. "The Irritable Bowel Syndrome: A Paradigm for Psychosomatic Medicine." Presented at American Psychosomatic Society Annual Meeting. New York City, March 25, 1983.
10. "The Role of Psychosocial Factors (Learned Illness/Stress)." Presented at Symposium, Irritable Bowel Syndrome. Droitwich, Worcestershire, England, June 14-17, 1983.

11. "Irritable Bowel Syndrome," presented at Fifth Annual Program, Office Management of Common Medical Problems. Cornell University, Ithaca, New York, August 5, 1983.
12. "Clinical Experience in Differential Diagnosis," Patient-simulated interview. American Academy of Family Physicians. Sponsored by Smith Kline and French Laboratories. Miami Convention Center, Miami, Florida, October 12, 1983.
13. "Developing a Computerized Clinical Simulation." Presented at workshop, "Microcomputers in Medical Education," School of Medicine, University of North Carolina at Chapel Hill, December 8-10, 1983.
14. "Doctor! What's Wrong With Me?!" A videotaped presentation of a physician-patient relationship. Presented at the American Psychosomatic Society annual Meeting, Hilton Head, South Carolina, March 8, 1984.
15. "Is the Cotton-Topped Tamarin a Model for Behavioral Research?" Presented at symposium: "Is the Marmoset a Model for the Study of Human Gastrointestinal Disease?" Sponsored by National Institutes of Health (NIADDK), Primate Center, Oak Ridge, Tennessee, April 18-20, 1984.
16. Idiopathic Inflammatory Bowel Disease. American Gastroenterological Association Postgraduate Course. "Breakout" session discussant. "Psychological and Emotional Aspects of IBDq" New Orleans, Louisiana. May 17-20, 1984.
17. "Angiodysplasia and Lower Gastrointestinal Bleeding: the Role of Colonoscopy." Presented at UNC Update in Gastroenterology, Chapel Hill, NC. December 1-3, 1984.
18. "The Patient with Chronic Intractable Abdominal Pain." Presented at Symposium on Chronic Abdominal Pain. Digestive Diseases Week, New York City, NY. May 13, 1985.
19. "Irritable Bowel Syndrome" and "Chronic Abdominal Pain." Presented at Update in Gastroenterology. The Cleveland Clinic Foundation, Cleveland, OH. November 13-14, 1985.
20. "Health and Quality of Life Outcomes for Ileostomy Alternatives" (with Donald Patrick, Ph. D.). Presented at Ileostomy Alternatives Workshop sponsored by the National Foundation for Ileitis and Colitis, Chicago, IL. June 27-28, 1986.
21. "Clinician's Approach to Chronic Gastrointestinal Pain." Presented at American Pain Society meeting, Washington, DC. November 7, 1986.
22. "Innovative Approaches to Teaching Clinical/Psychosocial Skills to Medical Students." Presented at American Psychosomatic Society annual meeting, Philadelphia, PA. March 27, 1987.
23. "Psychosocial Aspects of Patients With Gastrointestinal Complaints." Presented at the Conference on the Biopsychosocial Concept of Illness and Disease. Wickenburg, AZ. May 12-15, 1987. Sponsored by the Henry J. Kaiser Family Foundation.
24. "Psychosocial Factors in Irritable Bowel Syndrome". Presented at NIMH Conference: Mental Disorders In General Health Care Settings. Seattle, WA. June 25-26, 1987.
25. "Irritable Bowel Syndrome: Functional, Organic or What?" Charles Caravatti Lecturer, Annual Meeting of Virginia Gastroenterological Society. Williamsburg, VA. October 10, 1987.
26. "Psychosocial Factors in the Irritable Bowel Syndrome: A Multivariate Study of Patients and Nonpatients with IBS." American Psychosomatic Society Meeting, Plenary Session. Toronto, CA. March 26, 1988.
27. "The Biopsychosocial Approach to Research in Medicine: IBS". Annual Meeting, Society for General Internal Medicine. Washington, DC. April 28, 1988.
28. "Health Related Quality of Life in Inflammatory Bowel Disease: Assessment of Functional Status." (Poster presentation). American Gastroenterological Association. New Orleans, LA. May 16, 1988.
29. "Worries and Concerns of Patients with Inflammatory Bowel Disease: Development of a Health Status Questionnaire." (Poster Presentation). American Gastroenterological Association. New Orleans, LA., May 16, 1988.
30. "Why Do Patients with Functional GI Complaints go to the Doctor?" "Nerves and the GI Tract", sponsored by the Falk Foundation. Titisee, W. Germany. June 2-4, 1988

31. "Irritable Bowel Syndrome: Guidelines for Diagnosis," International Congress of Gastroenterology. Rome, Italy, Sept. 6, 1988.
32. "Maximizing the Interview" (Presentation); "The Irritable Gut (Panel); "The Interview: An Encounter of the First Kind (Luncheon Meeting). American College of Gastroenterology 1988 Annual Course. New York City, NY. October 15, 1988.
33. "Clinical Issues in Managing a Difficult GI Patient" Annual Meeting, American College of Gastroenterology. New York City, NY. Oct. 19, 1988.
34. "The Physician-Patient Interaction" Clinician's Forum Conference. Sponsored by the National Foundation for Ileitis and Colitis. Scottsdale, AZ. January 6-8, 1989.
35. "Psychosocial factors in functional gastrointestinal disorders: Comparison of Patients and Nonpatients. Gastrointestinal Psychophysiology Conference. Budapest, Hungary. September 16-17, 1989
36. "Questionnaires in the evaluation of IBS." *Maladie de l'Intestin Irritable: Maladie de l'intestin, maladie de la personalite?*. Symposium Beaufour, Paris, France. December 16, 1989.
37. "Personality of subjects with IBS." *Maladie de l'Intestin Irritable: Maladie de l'intestin, maladie de la personalite?*. Symposium Beaufour. Paris France. December 16, 1989.
38. "Sexual abuse and its effects on health status among gastroenterology clinic patients". American Psychosomatic Society Annual Meeting. Boston, MA. March 23, 1990.
39. "Psychosocial and disease predictors of utilization in IBD". Digestive Diseases Week. San Antonio, TX. May 15, 1990.
40. "Prevalence of abuse among patients referred for functional and organic GI disorders". Digestive Diseases Week. San Antonio, TX. May 16, 1990.
41. "Approach to Patient with Chronic Intractable Pain". ACG Annual Course. San Francisco, CA. October 27, 1990.
42. "Quality of Life in IBD" Breakfast workshop at Annual Meeting of ACG. San Francisco, CA. October 28, 1990.
43. "Health Status in IBD: A National Mail Survey" (Poster): Annual Meeting of ACG. San Francisco, CA. October 31, 1990.
44. "Disease Related Concerns Among Persons with IBD" (Poster): American Psychosomatic Society Annual Meeting. Santa Fe, NM. March 15, 1991
45. "Irritable Bowel Syndrome" and "Chronic Idiopathic Abdominal Pain": Keynote speaker at Central American Society of Gastroenterology. San Jose, Costa Rica. May 4, 1991.
46. "Irritable Bowel: Epidemiology, Diagnosis and the Role of Psychosocial Factors": Presented at IBS symposium, American Psychiatric Association, New Orleans, LA. May 13, 1991.
47. "A new measure of disease severity for IBD and its relationship to health status" (Poster): Digestive Diseases Week, New Orleans, LA. May 22, 1991
48. "Management of Irritable Bowel Syndrome: From Mild to Severe". Symposium Moderator: Digestive Diseases Week, New Orleans, LA. May 22, 1991.
49. Ephraim Lisansky Lecturer in Psychological Medicine. Sinai Hospital. Baltimore, MD. December 5, 1991.
50. "Diagnosis and Management of Irritable Bowel Syndrome": Presented at symposium: "Common Symptoms in Primary Care", Society of General Internal Medicine, Washington, DC. April 29, 1992.
51. "Diagnostic Categories of Functional Gastrointestinal Disorders" and "Irritable Bowel Syndrome": American Psychiatric Association Annual Meeting. Washington, DC. May 5, 1992
52. "A Randomized Survey of Functional Gastrointestinal Disorders in the United States: the 'Rome' Multinational Diagnostic Criteria": Digestive Diseases Week, San Francisco, CA. May 12, 1992

53. "Psychological Mechanisms for Altered Pain Perception": Presented at symposium: Physiological and Psychological Basis for Functional Gastrointestinal Pain: Implications for Management. Digestive Diseases Week, San Francisco CA. May 12, 1992
54. "Psychosocial Factors in IBD": Presented at Falk Symposium No. 67, "Inflammatory Bowel Diseases - Pathophysiology as Basis of Treatment", Regensburg, Germany. June 25, 1992.
55. "Functional Bowel Disorders: Prevalence, Diagnosis and the Role of Psychosocial Factors": Second International Symposium on Behavioral Medicine, Hamburg, Germany. July 16, 1992
56. "Biopsychosocial Model: Implications for Treatment": NIH Workshop on Irritable Bowel Syndrome: State-of-the-Art and Research Objectives. Bethesda, MD. September 9-11, 1992
57. "Chronic Abdominal Pain in Women": Symposium on Abdominal and Pelvic Pain in Women. Annual Meeting of American College of Gastroenterology, Miami, FL. October 27, 1992.
58. "Biopsychosocial Aspects of Irritable Bowel Syndrome". Symposium on "Digestive Disorders", Chairman, Annual Meeting of American Institute of Stress, Montreux, Switzerland. February 16, 1993.
59. Symposium on "Irritable Bowel Syndrome", Chairman, Annual Meeting of American Psychosomatic Society, Charleston, SC. March 5, 1993.
60. "Functional GI Disorders" and "Diagnosis and Management of IBS": Presented at annual meeting of American Psychiatric Association, San Francisco, CA. May 24, 1993.
61. "Psychophysiologic and psychosocial aspects of chronic abdominal pain" and "The IBS: Use of physiologic and behavioral data in treatment," Symposium chairman and presenter at 12th World Congress of Psychosomatic Medicine, Bern Switzerland. August 29-September 2, 1993
62. "Quality of Life in IBD," Falk Symposium No. 72, IV International Symposium on Inflammatory Bowel Diseases, Strasbourg, France. September 6-8, 1993
63. "Psychosocial Aspects of Inflammatory Bowel Disease". Marcel Patterson Lecture, Texas Society of Gastroenterology Annual Meeting, El Paso, TX. September 11, 1993.
64. "Sexual/Physical Abuse and GI Illness" (Keynote Address). Current Topics in Gastroenterology, Sandpiper, FL. November 1, 1993.
65. "Enhancing the Patient-Doctor Relationship: Learning and Teaching the Medical Interview". Symposium at American Psychosomatic Society Annual Meeting, Boston, MA. March 14, 1994.
66. "An Illness Severity Index for the Functional Bowel Disorders" AGA Research Forum. American Gastroenterology Association Annual Meeting, New Orleans, LA. May 16, 1994
67. "Irritable Bowel Syndrome: Role of Psychosocial Factors in Clinical Management," 22nd Meeting of International Society of Internal Medicine, Budapest, Hungary. September 1, 1994.
68. "Chronic Functional Abdominal Pain", "Quality of Life in IBD", "New Concepts in Functional Bowel Disorders," and "Pharmacology of Functional Digestive Disease" (4 invited presentations). 10th Annual Brazilian GI Congress, Porto Alegre, Brazil. November 20-24, 1994.
69. "Irritable Bowel Syndrome: Physiologic vs. Psychologic," World Congress of Gastroenterology, Los Angeles CA. October 6, 1994.
70. "Quality of Life in IBD," "Chronic Functional Abdominal Pain," and "New Concepts in Functional GI Disorders," 23rd Meeting of Brazilian Gastroenterology Association, Porto Alegre, Brazil. Nov. 19-23, 1994.
71. "Physical and Sexual Abuse and Medical Illness," Symposium Chairman, Annual Meeting of American Psychosomatic Society, New Orleans LA. March 4, 1995.
72. "The Role of Psychosocial Factors in Treatment Planning," and "Chronic Functional Abdominal Pain," in First International Symposium on Functional Gastrointestinal Disorders (Symposium Coordinator), Milwaukee WI. April 3-4, 1995.

73. "Behavioral Approaches," in: "Functional Gut Pain: New Hope for the Gastroenterologist?" American Gastroenterology Association Course, San Diego CA. May 14, 1995.
74. "Epidemiology and Biopsychosocial Aspects" of Symposium: "Recent Advances in Managing Severe Constipation," American Gastroenterology Association Annual Meeting, San Diego CA. May 15, 1995.
75. "Medical Evaluation of Functional GI Disorders," Symposium Co-Chair, American Gastroenterology Association Annual Meeting, San Diego CA. May 15, 1995.
76. Raymond and Mortimer Sackler Lecture: "An Integrated Approach to the Irritable Bowel Syndrome," Norwalk Hospital. October 18, 1995.
77. "The Role of Psychosocial Factors in GI Illness," in: QOL in Gastrointestinal Disease. (Speaker and Session Chair) Capetown, South Africa. November 2-4, 1995
78. "Psychosocial Aspects of the Functional Gastrointestinal Disorders," in: International Symposium on NeuroGastroenterology (Speaker and Scientific Advisory Committee), Rome, Italy. November 10-11, 1995.
79. "Approach to the Difficult Patient with Functional GI Disorders," and "Psychosocial Factors and QOL Assessment in IBD" in: Pan American Congress of Gastroenterology, Belo Horizonte, Brazil. November 12-14, 1995.
80. "Importance of the Psyche in Heartburn and Dyspepsia," in: Symposium - "Heartburn and Dyspepsia - Diagnostic Challenge - Healthcare Dilemma," Sitges, Spain. November 22-26, 1995.
81. Workshop on "Functional GI Disorders," American Psychosomatic Society Annual Meeting, Williamsburg, VA. March 9, 1996.
82. "The relation of physical and sexual abuse in GI illness," in Symposium on "GI Health Problems in Women," American Gastroenterology Association Annual Meeting, San Francisco, CA. May 20, 1996.
83. "Chronic Functional Abdominal Pain," at Netherlands GI Society Annual Meeting, Utrecht, Netherlands. October 4, 1996.
84. "Building the Physician-Patient Relationship" in Symposium on "Chronic Abdominal Pain: What to do when all else fails," American College of Gastroenterology Annual Meeting, Seattle, WA. October 22, 1996.
85. "Irritable Bowel Syndrome," and "Chronic Functional Abdominal Pain," University of Montreal and University of Sherbrooke, Quebec, CA. November 12-15, 1996
86. "Developing a Disease-Specific Quality of Life Measure," AGA/ADHF/GRG Symposium: Academic Skills Workshop. Tempe, AZ. December 12-15, 1996.
87. "Sexual/Physical Abuse and GI Illness," Frank H. Brooks Memorial Lecture, U. of Pennsylvania, Philadelphia, PA. January 8, 1997.
88. "Gastrointestinal Illness and the Biopsychosocial Model," Presidential Address, American Psychosomatic Society Annual Meeting, Santa Fe, NM. March 22, 1997.
89. "Association of Coping Pattern with Health Status after Controlling for GI Disease and Abuse History," American Psychosomatic Society Annual Meeting, Santa Fe, NM. March 22, 1997.
90. "Biopsychosocial Approach to Functional GI Disorders," Milwaukee, WI. April 12-15, 1997.
91. "Patient Education for Irritable Bowel Syndrome: It Works Both Ways," Moderator and Speaker for AGA Satellite Symposium, Washington DC. May 12, 1997.
92. "Association of Coping Pattern with Health Status Among Female Patients After Controlling for GI Disease," and "Abuse History: A Prospective Study," Digestive Diseases Week, Washington DC. May 14, 1997.
93. "Constipation: Definition, Epidemiology, Behavioral Aspects," in Symposium on "Constipation," Digestive Diseases Week, Washington DC. May 14, 1997.
94. "Behavioral and Psychoimmunologic Aspects," in Symposium on "Systemic Manifestations of IBD," Falk Symposium #98, Titisee, Germany. May 25, 1997.

95. "Do the Rome Criteria Stand Up?" in Symposium on "Functional Dyspepsia and IBS", Falk Symposium #99, Titisee, Germany. May 27, 1997.
96. "Role of Psychosocial Factors: Current Knowledge" in Symposium on "Functional Dyspepsia and IBS", Falk Symposium #99, Titisee, Germany, May 28, 1997.
97. "Irritable Bowel Syndrome" (Medical Grand Rounds) and "Chronic Functional Abdominal Pain (GI Gut Club). Dartmouth Medical Center, June 12-13, 1997.
98. Four presentations on IBS, Chronic Functional Pain, Abuse and GI Illness, and Quality of Life, Argentine Congress of Gastroenterology, Rosario, Argentina, September 21-25, 1997.
99. "Irritable Bowel Syndrome: An Overview", Israeli GI Society Annual Meeting (Keynote Presentation), Dead Sea, November 21, 1997.
100. "Irritable Bowel Syndrome" and "Chronic Functional Abdominal Pain", Bethesda, MD, January 14-15, 1998.
101. "Irritable Bowel Syndrome", Pediatric GI Grand Rounds, Vanderbilt University Medical Center, Nashville, TN, January 19, 1998.
102. "Pain Assessment for Functional GI Disorders", Developments and New Directions in Helicobacter Research, Phoenix, AZ, February 27, 1998.
103. "Irritable Bowel Syndrome" and "Chronic Functional Abdominal Pain", Brown University, Providence, RI, April 8-9, 1998.
104. "Irritable Bowel Syndrome", "Chronic Functional Abdominal Pain", and "Relationship Of Abuse To Chronic Pain" in Symposium on "Contemporary Management Of Chronic Pelvic Pain": Postgraduate Course, 46th Annual meeting of American College of Obstetrics and Gynecology, New Orleans, LA, May 9, 1998.
105. "Physician/Patient Relationship: A North American Approach," Keynote presentation, Cercle Andre Lambling, New Orleans, LA, May 19, 1998.
106. "IBS: Evaluation of Treatment and Management," Moderator for Symposium, Digestive Disease Week, New Orleans, LA, May 19, 1998.
107. "Do Psychological Profiles Define Symptom Severity in Patient Status?" Moderator and Presenter for Symposium: IBS Clinical Trial Design – The Louisiana Workshop, May 21-22, 1998.
108. "The Biopsychosocial Model" (Keynote address) and "Physician-Patient Relationship" in Symposium: "Approach to the Patient with Chronic Gastrointestinal Disorders (CGID)", Baveno-Stresa, Lake Maggiore, Italy, June 10-13, 1998.
109. "Potential New Therapies for Treating Functional GI Disorders" in NIH (NIDDK) Workshop "Motility of the Digestive Tract: Research Directions and Priorities," Bethesda, MD, June 15-17, 1998.
110. "Gastrointestinal Illness and the Biopsychosocial Model" at European Congress of Psychosomatic Research, Manchester, England, September 3-5, 1998.
111. "Irritable Bowel Syndrome: Demystifying the Illness", Moderator of Symposium, World Congress of Gastroenterology, Vienna, Austria, September 6, 1998.
112. "IBS, A Biopsychosocial Perspective" in Symposium: "The Brain-Gut Connection: Psychosocial Factors and Their Mediators in GI Illness", Gabriele Moser and Douglas Drossman, Moderators, World Congress of Gastroenterology, Vienna, Austria, September 8, 1998.
113. "What is the Quality of Life and How is it Studied?" in Symposium: "Quality of Life Studies in GI and Liver Disease", World Congress of Gastroenterology, Vienna, Austria, September 8, 1998.
114. "Overview of Multinational (Rome) Working Team Project" in WTR Clinical Outcomes Conference, World Congress of Gastroenterology, Vienna, Austria, September 10-11, 1998.
115. "Assessment of Illness Severity in IBS" in WTR Clinical Outcomes Conference, World Congress of Gastroenterology, Vienna, Austria, September 10-11, 1998.

116. "Sexual Abuse and the GI Tract" in Symposium "Sexual/Physical Abuse and GI Illness", International Symposium on the Pelvic Floor, Montreal, Canada, September 24-27, 1998.
117. "Measuring Quality of Life in Patients with Functional GI Disorders," International Symposium on the Pelvic Floor, Montreal, Canada, September 24-27, 1998.
118. "Would Early Intervention Prevent Further Development of Functional GI Disorders: A Practical Approach to Detect Sexual Abuse in Adults," International Symposium on the Pelvic Floor, Montreal, Canada, September 24-27, 1998.
119. Moderator: "Biography Becomes Biology" Plenary Session at International Symposium on the Pelvic Floor, Montreal, Canada, September 24-27, 1998.
120. "Irritable Bowel Syndrome" Keynote Presentation at Australian Gastroenterology Society Annual Meeting, Canberra, Australia, October 22, 1998.
121. "Chronic Functional Abdominal Pain" in Symposium on Dyspepsia and Abdominal Pain at Second International Congress on Stress, Melbourne, Australia, October 26, 1998.
122. "Quality of Life in IBD and IBS" in Symposium on Quality of Life in Medical/Psychiatric Illness at Second International Congress on Stress, Melbourne, Australia, October 27, 1998.
123. "Gastrointestinal Illness and the Biopsychosocial Model" Plenary Presentation at the Second International congress on Stress, Melbourne, Australia, October 28, 1998.
124. "Psychosocial Aspects of IBS", Presentation to Department of Psychiatry at Royal Melbourne Hospital, Melbourne, Australia, October 29, 1998.
125. "Biopsychosocial Approach to GI Disorders," Keynote Speaker, German Society of Behavioral Medicine, Prien, Germany, March 13, 1999.
126. Moderator "Teaching Psychosomatic Medicine in Medical Education," American Psychosomatic Society Annual Meeting, Vancouver, Canada, March 19, 1999.
127. "Psychosocial Factors Determine Symptoms Severity in Functional Bowel Disorders," American Psychosomatic Society Annual Meeting, Vancouver, Canada, March 19, 1999.
128. "Biopsychosocial Approach to Functional GI Disorders," Keynote Address, 3rd International Symposium on Functional GI Disorders, Milwaukee, WI, April 18, 1999.
129. "Communication Skills Workshop," 3rd International Symposium on Functional GI Disorders, Milwaukee, WI, April 17, 19, & 20, 1999.
130. "Abuse and GI Illness," 3rd International Symposium on Functional GI Disorders, Milwaukee, WI, April 20, 1999.
131. "Sexual Abuse and GI Illness: What is the Link?" Mayo Clinic, Scottsdale, AZ, April 30, 1999.
132. "Psychosocial Implications of IBS" at Symposium on: "IBS, New Paradigms and Perspectives", Digestive Disease Week, Orlando, FL, May 16, 1999.
133. "Psychosocial Aspects of IBD", at symposium: "Managing Complications of IBD", Digestive Disease Week, Orlando, FL. May 16, 1999.
134. "Quality of Life in IBD" at "Symposium on the Ileal Pouch," Goteborg, Sweden, May 28, 1999.
135. "Controversies in Irritable Bowel/Functional Bowel," Southern California GI Society, La Costa CA, July 18, 1999.
136. "The Case for a Biopsychosocial Approach in the Management of IBS." Sponsored by Glaxo Wellcome. Pan American GI Meetings: Gastro 99, Vancouver, Canada, August 29, 1999.
137. "The Irritable Bowel Syndrome: How the Mind Controls the Bowel" Temple Family Medicine Symposium, Lancaster, PA, September 28, 1999.

138. "Irritable Bowel Syndrome and Chronic Functional Abdominal Pain" Twenty-Second Annual Gastroenterology Teaching Day, Disorders of the Enteric Nervous System, Johnson City, New York, October 7, 1999.
139. "Irritable Bowel Syndrome". Kansas City Southwest Clinical Society, 77th Annual Fall Clinical Conference, Overland Park, Kansas, October 29, 1999.
140. "Psychological Input for Functional Bowel Disease", Moderator, Current Topics in Gastroenterology 1999, Paradise Island, Bahamas, October 31, 1999.
141. "Advances in Psychosomatic Understanding of GI Disorders," German College of Psychosomatik Medizin, Berlin, Germany, November 12, 1999.
142. "Effects of abuse on functional gastrointestinal disorders," ANEMGI Interest Group Meeting, 7th United European Gastroenterology Week, Rome, Italy, November 14, 1999.
143. "Introduction: Description of the Rome II Process", Chair, Rome II IBS Criteria Symposium, 7th United European Gastroenterology Week, Rome, Italy, November 16, 1999.
144. "Chronic Functional Abdominal Pain", Gastroenterology Nocturne, Inova Fairfax Hospital Department of Medicine, Tyson's Corner, Virginia, December 2, 1999.
145. "Chronic Functional Abdominal Pain"; Columbia Presbyterian Center, New York, NY, January 31, 2000.
146. "Irritable Bowel Syndrome"; Cornell University, Weill Medical College, New York, NY, Division of Gastroenterology and Hepatology, February 1, 2000.
147. "Management of Irritable Bowel Syndrome", Winthrop University Hospital; Mineola, NY, March 8, 2000.
148. "Rethinking Irritable Bowel Syndrome", William Clarke Society, Washington, DC, March 13, 2000.
149. "Irritable Bowel Syndrome, The Brain/Gut Connection", Albany Grand Rounds, Albany, NY, March 23-24, 2000.
150. "Mind-Gut Connections: The Scientific Basis for Managing Irritable Bowel Syndrome", American College of Physicians Regional Meeting, New York, NY, April 1, 2000.
151. "Chronic Functional Abdominal Pain", University of Southern California, Glaxo Speaker, LA County, CA, April 6-7, 2000.
152. "Irritable Bowel Syndrome", 31st Chaikin Lecture, New York Medical College, Valhalla, NY, May 3, 2000.
153. "Irritable Bowel Syndrome", American Gastroenterological Association 2000 Postgraduate Course, Digestive Disease Week, San Diego, CA, May 21, 2000.
154. "Irritable Bowel Syndrome: Behavioral Therapy and New Pharmacological Treatments", Moderator, American Gastroenterological Association/American Society of Gastrointestinal Endoscopy Combined Clinical Symposium, Digestive Disease Week, San Diego, CA, May 22, 2000.
155. "Patient Interview Techniques" in Digestive Disease Week Satellite Symposium entitled "Visceral Hypersensitivity-Implications for Irritable Bowel Syndrome", Chair, Digestive Disease Week, San Diego, CA, May 22, 2000.
156. "The New Rome II Criteria: Implications For Research And Practice", Digestive Disease Week, San Diego, CA, May 23, 2000.
157. "Current and Emerging Therapies" in CME Dinner Symposium "New Strategies in the Management of Irritable Bowel Syndrome", Annual Meeting of American Academy of Physician Assistants, Chicago, IL, May 28, 2000.
158. "Irritable Bowel Syndrome", University of Vermont, Burlington, VT, June 2, 2000.
159. "Irritable Bowel Syndrome", State University of New York Upstate Medical University, Syracuse, NY, June 8, 2000.
160. "Psychosocial sound bites: Developing the Physician/Patient Relationship" in "Functional Disorders of the Gastrointestinal Tract & Liver", Winnipeg, Manitoba, CANADA, June 9, 2000.

161. "Biopsychosocial approach to FBD" in session "Psychosocial Factors in FBD", Brain-Gut 2000 Congress, Toulouse, FRANCE, July 14, 2000.
162. "The biopsychosocial model of disease" in session "The IBS/IBD Crossroads", G2K Irish Society of Gastroenterology Annual Meeting, Dublin, IRELAND, September 8, 2000.
163. "20 Years of Biopsychosocial Research in the Functional GI Disorders", Research Presentation, Mayo Clinic, Rochester, MN, September 13, 2000.
164. "Chronic Functional Abdominal Pain," GI Grand Rounds, Mayo Clinic, Rochester, MN, September 14, 2000.
165. "IBS-Current Understanding of Pathophysiology" and "IBS-Management of the Patient with Chronic Abdominal Pain" in symposium "Current Diagnosis and Management of Gastrointestinal Motility Disorders and Irritable Bowel Syndrome", Harvard Medical School, Beth Israel Deaconess Medical Center, Boston, MA, September 16, 2000.
166. "New Insights into IBS" at Johns Hopkins University Postgraduate Course, "26th Annual Topics in Gastroenterology and Liver Disease", Baltimore, MD, September 21, 2000.
167. "Revisiting IBS: Perspectives for the New Millennium," Moderator, American College of Gastroenterology Annual Meeting, New York, NY, October 13, 2000.
168. "Functional Bowel Disease: Please Help," American College of Gastroenterology Postgraduate Course, New York, NY, October 15, 2000.

555. "Understanding and Managing Patients with Chronic and Refractory Abdominopelvic Pain". Keynote Presentation. 7th Central European Gastroenterology Meeting. September 27, 2012. Cluj, Romania.
556. "Understanding and Treating Patients with Chronic and Refractory Abdominopelvic Pain". Keynote Presentation. Abdominal and Pelvic Health Symposium. October 6th, 2012. Rush University, Chicago, IL.
557. "The Road to Rome IV". Festival of Gastroenterology and Endoscopy FGE. October 10th, 2012. Sanyo, China.
558. "Introduction to Rome Foundation, Rome IV and the Rome Foundation Algorithms". Festival of Gastroenterology and Endoscopy FGE. October 13th, 2012. Beijing, China.

559. "Helping Your Patients by Helping Yourself: How to Improve the Patient-Physician Relationship". David Sun Keynote Lecture. ACG 2012 Annual Scientific Meeting and Postgraduate Course. October 10th, 2012. Las Vegas, NV.
560. "Abuse and GI Illness: Is there a link". Don Powell Decades. October 10th, 2012. Galveston, TX.
561. "Physician-Patient Relationship". In symposium "Management of Difficult Patient with IBS" United European Gastroenterology Week. October 22nd, 2012. Amsterdam, Netherlands.
562. Moderator: Placebos and Placebo Effects United European Gastroenterology Week. October 23rd, 2012. Amsterdam, Netherlands.
563. Luncheon Session: "Psychological Treatment Options for Patients with IBS" United European Gastroenterology Week. October 24th, 2012. Amsterdam, Netherlands.
564. "Newer Understanding of Neurogenesis for the treatment of severe refractory pain." XXXIII Pan American Congress of Gastroenterology. November 9th, 2012. Panama City, Panama.
565. "The Road to Rome IV". XXXIII Pan American Congress of Gastroenterology. November 10th, 2012. Panama City, Panama.
566. "Physician Patient Relationship." Keynote Lecture. XXXIII Pan American College of Gastroenterology. November 10th, 2012. Panama City, Panama.
567. "Current Diagnosis and Management of IBS." Danville Regional Medical Center Symposium. November 15, 2012. Danville, VA.
568. "Current Diagnosis and Management of Constipation". Danville Regional Medical Center Symposium. November 15th, 2012. Danville, VA.
569. "Understanding and Treating Patients with Chronic and Refractory GI Pain". GI Grand Rounds. Mayo Clinic Arizona. January 17th, 2013. Scottsdale, AZ.
570. "Understanding and Treating Patients with Chronic and Refractory GI Pain". Phoenix GI Society Grand Rounds. January 17th, 2013. Scottsdale, AZ.
571. "Improving the Physician-Patient Relationship in Functional GI Disorders Through Communication Skills". Medical Grand Rounds. Mayo Clinic Arizona. January 18th, 2013. Scottsdale, AZ.
572. "Effective Communication Skills to Improve the Patient-Provider Relationship". St. Joseph's Hospital and Medical Center. January 18th, 2013. Scottsdale, AZ.
573. "Pain Management in IBD". Updates in Inflammatory Bowel Disease, Physician Presentation. Crohn's and Colitis Foundation of America. March 23rd, 2013. Atlanta, GA.
574. "Pain Management in IBD". Updates in Inflammatory Bowel Disease, Patient Presentation. Crohn's and Colitis Foundation of America. March 23rd, 2013. Atlanta, GA.
575. "How Can I Help You?" An Interactive Theater Performance Exploring Ways to Improve the HealthCare Experience. Performed by Theater Delta and DrossmanCare. April 6th, 2013. Chapel Hill, NC.
576. "Integrated Approach to FGIDs". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 12th, 2013. Milwaukee, WI.
577. "Opioid and Narcotic Bowel". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 12th, 2013. Milwaukee, WI.

578. "Interview Techniques and Communication Skills". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 13th, 2013. Milwaukee, WI.
579. "What's New in Rome IV". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 14th, 2013. Milwaukee, WI.
580. "Multidimensional Clinical Profile". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 14th, 2013. Milwaukee, WI.
581. "Central Pharmacological Treatments". 10th International Symposium on Functional GI Disorders. International Foundation for Functional GI Disorders. April 14th, 2013. Milwaukee, WI.
582. "Narcotic Bowel Syndrome and Opioid Bowel Dysfunction". Digestive Disease Week 2013. May 19, 2013. Orlando FL.
583. "Therapies for Visceral Pain in IBS". Digestive Disease Week 2013. May 21, 2013. Orlando, FL.
584. "Opioid Bowel and Narcotic Bowel Syndrome". Chloride Channel Council Speaker Training. May 31, 2013. Chicago, IL.
585. "Update on Irritable Bowel Syndrome". Family Medicine Grand Rounds, University of North Carolina, August 7, 2013, Chapel Hill, NC
586. "IBS-C and CIC Diagnosis and Treatment". AstraZeneca Linaclotide GI Advisory Board. September 19, 2013. Shanghai, China.
587. "IBS-C - Current Approach to Diagnosis and Management". Chinese Congress on Digestive Diseases (CCDD) September 21, 2013. Shanghai, China.
588. "IBS-C - Current Approach to Diagnosis and Management". AstraZeneca Meeting Experts on Gastro 2013. September 22, 2013. Shanghai, China.
589. "Understanding and Treating Patient with Refractory Abdominal Pain". Medical Grand Rounds, University of North Carolina at Chapel Hill. September 26, 2013. Chapel Hill, NC.
590. "The Rome Foundation and Rome IV: What is New for Functional GI Disorders". Japanese Society of Gastroenterology and Rome Foundation Joint Symposium. October 8, 2013. Tokyo, Japan.
591. "Management of Chronic Abdominal Pain". ACG Postgraduate Course Learning Luncheon. October 12, 2013. San Diego, CA.
592. "IBS-IBD Overlap". Fellows Functional Gastrointestinal Conference. University of North Carolina at Chapel Hill. October 31, 2013. Chapel Hill, NC.
593. "Essentials of a Productive Doctor-Patient Relationship". How to Treat IBS Effectively: Expert Update for Health Professionals. UNC Center for Functional GI Disorders. November 2, 2013. Chapel Hill, NC.
594. "What is New in Rome IV: The Multidimensional Clinical Profile". How to Treat IBS Effectively: Expert Update for Health Professionals. UNC Center for Functional GI Disorders. November 2, 2013. Chapel Hill, NC.
595. "Abuse and GI Illness – What is the Link?" XII SBAD – Brazilian Digestive Disease Week. Brazilian Federation of Gastroenterology. November 25, 2013. Goiania, Brazil.
596. "Irritable Bowel Syndrome: What we Know and What We Should Know". XII SBAD – Brazilian Digestive Disease Week. Brazilian Federation of Gastroenterology. November 25, 2013. Goiania, Brazil.
597. "Dyspepsia and Rome III – What's new for Rome IV?" XII SBAD – Brazilian Digestive Disease Week. Brazilian Federation of Gastroenterology. November 26, 2013. Goiania, Brazil.
598. "Understanding and Managing Patients with Severe Functional Pain" XII SBAD – Brazilian Digestive Disease Week. Brazilian Federation of Gastroenterology. November 26, 2013. Goiania, Brazil.
599. "Opioid Induced Constipation and Narcotic Bowel Syndrome." NC Triangle Gut Club, December 4, 2013. Raleigh NC

600. "Rome Criteria: History and State of the Art." Portuguese Society of Gastroenterology Monothematic Meeting, February 1, 2014. Lisbon, Portugal.
601. "Pathophysiology of IBS: Central and Peripheral Mechanisms." Annual Meeting of Israeli Association of Gastroenterology and Liver Disease, February 5, 2014. Eilat, Israel.
602. "Treating IBS – Doctor-Patient Relationship." Annual Meeting of Israeli Association of Gastroenterology and Liver Disease, February 5, 2014. Eilat, Israel.
603. "Who needs Rome IV?" Annual Meeting of Israeli Association of Gastroenterology and Liver Disease, February 6, 2014. Eilat, Israel.
604. "Understanding Patients with IBS and FGID: Concepts, Pathophysiology and Management through Better Communication." Duke Student Health. March 10, 2014. Durham, NC.
605. "Brain Gut Dysfunction: What Factors are related to GI Dysfunction?" Mini Medical School Course. American Psychosomatic Society Annual Meeting, February 12, 2014. San Francisco, CA
606. "Round Table on Biopsychosocial Training" American Psychosomatic Society Annual Meeting, February 13, 2014. San Francisco, CA
607. "The Role of the Central Nervous System in Chronic Gastrointestinal Pain and its Treatment" in symposium: "The Brain Gut Dialogue" New Evidence, New Interventions". American Psychosomatic Society Annual Meeting, February 12, 2014. San Francisco, CA
608. "Genesis and Maturation of IBS and the Functional GI Disorders: The First 50 Years" Keynote Lecture. Visiting Professor. Sahlgrenska Academy. March 26, 2014. Gothenburg, Sweden.
609. "Effective Communication Skills to Optimize the Physician-Patient Relationship." Visiting Professor, Sahlgrenska Academy. March 26, 2014. Gothenburg, Sweden.
610. "The importance of the physician-patient relationship" and "Narcotic Bowel Syndrome: Optimal Management in 2014." Ha Semenarium, Visiting Professor. Sahlgrenska Academy. March 27, 2014. Gothenburg, Sweden.
611. "Brain-Gut Interactions and Pathophysiology of Functional GI Disorders" Translational Pain Medicine Course. University of North Carolina at Chapel Hill. April 3, 2014. Chapel Hill, North Carolina.
612. "The Biopsychosocial Model and Functional GI Disorders." Integrative Medicine Student Group. University of North Carolina at Chapel Hill. April 24, 2014.
613. "Biopsychosocial model and effective patient physician relationship: video teleconference." X Simposio Internacional Trastornos Funcionales Digestivos. April 26, 2014. Buenos Aires, Argentina.
614. "Understanding and Treating the Brain's Contribution to Pain." Rome-AGA Lecture. Digestive Disease Week. May 4, 2014. Chicago, Illinois.
615. "Reappraising Sphincter of Oddi Dysfunction." ASGE/AGA Symposium. Digestive Disease Week. May 5, 2014. Chicago, Illinois.
616. "Difficult Abdominal Pain." Curbside Consult. Digestive Disease Week. May 5, 2014. Chicago, Illinois.

VISITING PROFESSORSHIPS AND LECTURESHIPS (SELECTED):

1. Wright State University School of Medicine, Dayton, Ohio, Departments of Medicine and Psychiatry, and Division of Gastroenterology, December 13-15, 1979.
2. University of Virginia School of Medicine, Charlottesville, Virginia, Department of Medicine, Visiting Clinician Program, February 25-29, 1980.
3. Baltimore City Hospital, Johns Hopkins University, Baltimore, Maryland, Department of Medicine, February 11-12, 1981.
4. University of South Florida, Tampa, Florida, Division of Digestive Diseases and Nutrition, January 12-13, 1984.

5. Akron General Medical Center, Akron, Ohio, Departments of Psychiatry and Medicine, April 11, 1984.
6. University of Connecticut, Farmington, Connecticut. Department of Medicine, October 24, 1984.
7. University of Missouri-Columbia, Columbia, Missouri. Department of Medicine and Division of Gastroenterology and Liver Disease, April 24-25, 1986.
8. Michigan State University School of Medicine, East Lansing, MI. Department of Medicine and Division of Gastroenterology, April 28, 1986.
9. University of Pennsylvania School of Medicine, Philadelphia, Pa. Division of Gastroenterology, Sept. 17, 1986.
10. University of Tennessee Memorial Hospital, Knoxville, Tenn. Depts. of Psychiatry and Medicine, October 31, 1986.
11. Fairfax Hospital, Fairfax, VA. Departments of Medicine and Psychiatry, November 3, 1987.
12. Medical College of Virginia. Division of Gastroenterology, December 14, 1987.
13. University of Texas, El Paso. Department of Medicine and Division of Gastroenterology. September 23, 1988.
14. University of Milwaukee School of Medicine. Department of Medicine and Division of Gastroenterology, December 13-14, 1988.
15. University of Tennessee, Memphis. Department of Medicine and Division of Gastroenterology, January 17-18, 1989.
16. University of California, San Diego. Division of Gastroenterology, March 28-29, 1989.
17. Dartmouth Medical School, Hanover, N.H. Department of Medicine, August 9-10, 1989.
18. University of Pittsburgh. Division of Gastroenterology. October 5, 1989.
19. University of Texas, El Paso. Department of Medicine and Division of Gastroenterology. October 13-14, 1989.
20. University of Alabama, Birmingham. Department of Medicine, March 22-23, 1990.
21. Wayne State University School of Medicine. Department of Medicine. December 13-14, 1990.
22. Southwestern Medical School, Dallas, TX. Division of Gastroenterology. February 7, 1991
23. University of Colorado, Denver. Irwin Vinnik Lecturer in Gastroenterology; Department of Medicine and Division of Gastroenterology. April 1-3, 1991.
24. Boston University Med. Ctr. and Boston VA. Dept. of Medicine and Division of Gastroenterology. April 22-23, 1991
25. Visiting Professor, Central American Society of Gastroenterology. San Jose, Costa Rica, May 3-7, 1991.
26. University of Virginia, Charlottesville. Dept. of Medicine and Gastroenterology Division, November 6, 1991.
27. University of Rochester, Highland Hospital. Dept. of Medicine and Gastroenterology Division, April 20-21, 1992.

28. University of Manchester, Manchester Royal Infirmary, Manchester, England. Depts. of Medicine (GI) and Psychiatry, July 6, 1992
29. University of Bristol, Bristol Royal Infirmary, Bristol, England Depts. of Medicine and Surgery, July 13, 1992
30. University of Texas, Galveston. Departments of Medicine and Behavioral Medicine, October 7-9, 1992.
31. University of California, San Francisco. Division of Gastroenterology, February 10, 1993
32. Medical College of Virginia, Richmond. Department of Medicine, August 12, 1993.
33. Uniformed Health Services Hospitals, Washington, D.C., Dept. of Medicine and Div. of Gastroenterology, December 1-2, 1993
34. Temple University Medical Center, Philadelphia, PA, Dept. of Medicine and Div. of Gastroenterology, February 8-9, 1994
35. Bethesda Naval Hospital, Bethesda, MD, Dept. of Medicine and Div. of Gastroenterology, March 10, 1994
36. University of California at Los Angeles (UCLA) Medical Center, Los Angeles, CA, Dept. of Medicine and Div. of Gastroenterology, March 14-16, 1994.
37. "American Psychosomatic Society Visiting Scholar Award" - University of Rochester, Rochester, NY, Dept. of Medicine, Division of Gastroenterology and Program for Biopsychosocial Studies. May 25-26, 1994.
38. University of Washington, Seattle, WA, Dept. of Medicine and Div. of Gastroenterology, June 16-17, 1994
39. Cleveland Clinic, Cleveland OH, Division of Gastroenterology, August 25, 1994.
40. University of Wisconsin, Madison WI, Depts. of Medicine and Psychiatry, January 12-13, 1995.
41. St. Louis University, Barnes Hospital, Division of Gastroenterology and Dept. of Medicine, St. Louis MO, March 29-30, 1995
42. University of Toronto, Toronto, Ont. Canada, Dept. of Medicine and Division of Gastroenterology, April 20-21, 1995.
43. University of California at San Francisco, Division of Gastroenterology and Dept. of Medicine, May 2-4, 1995
44. Columbia University Div. of Gastroenterology/ Dept. of Medicine, New York City NY, June 14, 1995.
45. University of Miami, Division of Gastroenterology, Miami, FL, August 15, 1995.
46. University of Alabama, Tuscaloosa, Dept. of Psychiatry September 1, 1995
47. University of Kentucky, Louisville, Div. of Gastroenterology, Louisville, KY, December 12-13, 1995.
48. Troncale Visiting Professor. Yale-New Haven Medical Center, Division of Gastroenterology and Dept. of Medicine, New Haven, CT, April 15-16, 1996
49. University of Arizona Tucson Medical Center Dept. of Medicine/ Div. of Gastroenterology, April 18, 1996.
50. University of Michigan Medical Center, Division of Gastroenterology, April 28, 1996.
51. New York University Medical Center, Department of Medicine, May 8, 1996.

52. 1st annual Jim Respass Distinguished Visiting Professor, University of Virginia, Depts. of Medicine and Division of Gastroenterology, Charlottesville, VA, June 16-18, 1996.
53. University of Montreal and Sherbrooke Medical Center, Departments of Medicine and Surgery and Division of Gastroenterology, Montreal and Sherbrooke, Quebec, Canada, November 12-15, 1996
54. University of Pennsylvania, Division of Gastroenterology, Jan 8-9, 1997.
55. University of Texas at Houston, Department of Medicine, Jan 20-21, 1997.
56. University of Maryland, Dept. of Medicine/ Div. of Gastroenterology, Baltimore, MD, March 5, 1997.
57. Henry Ford Hospital - Detroit, Department of Psychiatry, Detroit, MI, June 11, 1997.
58. Dartmouth Medical School, Dept of Medicine and Division of Gastroenterology, June 12-14, 1997.
59. Dozer Visiting Professor, Faculty of Health Sciences, Ben Gurion University of the Negev, Israel, November 6-21, 1997.
60. Uniformed Services Health Center, Dept. of Medicine and Division of Gastroenterology, Washington, D.C., January 15, 1998.
61. Vanderbilt University Medical Center, Dept. of Pediatric Gastroenterology, Nashville, TN, January 19, 1998.
62. Southwestern Medical Center, Division of Gastroenterology and Dept of Medicine, Dallas, TX, February 11-12, 1998.
63. Brown University, Rhode Island Hospital, Division of Digestive Diseases and Department of Medicine, Providence, RI, April 8-9, 1998.
64. University of Texas, Galveston, Division of Digestive Diseases and Department of Medicine, Galveston, TX., June 24-26, 1998.
65. Royal Melbourne Hospital, Department of Psychiatry, Melbourne, Australia, October 28-30, 1998.
66. Mayo Clinic, Department of Medicine, Scottsdale, AZ, April 30, 1999.
67. Columbia University, Department of Medicine, Division of Digestive and Liver Diseases, New York, NY, January 31, 2000.
68. Cornell University, Weill Medical College, Division of Gastroenterology and Hepatology, New York, NY, February 1, 2000.
69. Winthrop University Hospital; Division and Gastroenterology, Hepatology, and Nutrition, Mineola, NY, March 7-8, 2000.
70. Albany Medical College, Department of Medicine, Albany, NY, March 23-24, 2000.
71. University of Southern California, Division of Digestive Diseases, LA County, CA, April 7, 2000.
72. 31st Chaikin Visiting Professorship, Division of Gastroenterology and Hepatobiliary Diseases, New York Medical College, Valhalla, NY, May 3, 2000.
73. University of Vermont, Department of Medicine, Division of Gastroenterology, Burlington, VT, June 1-2, 2000.

74. State University of New York Upstate Medical University, Division of Gastroenterology, Department of Medicine, SUNY Grand Rounds, Syracuse, NY, June 7-8, 2000.
75. Mayo Clinic, Division of Gastroenterology, Rochester, MN, September 12-14, 2000.
76. University of Pennsylvania, Gastroenterology Division, Philadelphia, PA, November 15, 2000.
77. Eastern Virginia Medical School, Internal Medicine, Norfolk, VA, December 6, 2000.
78. University of Washington, Division of Gastroenterology, Seattle, WA, December 14-15, 2000.
79. Mt. Sinai Medical Center, Miami Beach, FL, January 19, 2001.
80. Allegheny General Hospital, Department of Medicine, Pittsburgh, PA, February 21, 2001.
81. Wake Forest University, Department of Gastroenterology, Department of Internal Medicine, Winston-Salem, NC, March 15, 2001.
82. University of Chicago, Department of Medicine, Chicago, IL, April 3, 2001.
83. Long Island College Hospital, Division of Gastroenterology, Brooklyn, NY, May 10, 2001.
84. New York University, Division of Gastroenterology, New York, NY, May 15, 2001.
85. University of Tennessee Knoxville, Department of Medicine, Knoxville, TN, June 26, 2001.
86. University of California at Los Angeles, Department of Medicine and Division of Gastroenterology, Los Angeles, CA, April 11-12, 2002.
87. Allentown Hospital, Department of Medicine, Department of Psychiatry, and Department of Gastroenterology, Allentown, PA, April 16-18, 2002.
88. University of Puerto Rico School of Medicine, Department of Gastroenterology, San Juan, Puerto Rico, October 14-15, 2002.
89. University of Montreal, Centre Hospital, Department of Gastroenterology and Department of Pediatric Gastroenterology, Montreal, Canada, January 27-29, 2003.
90. State University of New York Buffalo Medical School, Department of Medicine, Department of Family Medicine, Department of Gastroenterology and Department of Psychiatry, Buffalo, NY, January 30-31, 2003.
91. Yale University, Yale Medical Center, Gastroenterology Division, New Haven, CT, June 20, 2003.
92. University of Oregon, Oregon Health and Science University, OHSU Digestive Health Center, Portland, OR, January 8-9, 2004.
93. Bowman Gray School of Medicine, Division of Gastroenterology and Hepatology, Winston-Salem, North Carolina, January 22-23, 2004.
94. Williamsport Hospital and Medical Center, Susquehanna Health System, Williamsport, Pennsylvania, May 7, 2004.
95. Tohoku University Department of Behavioral Medicine, Sendai, Japan. January 30-31, 2005.
96. GI Division, Rhode Island Hospital. Providence, RI, February 17, 2005.

97. GI Grand Rounds, Beth Israel Medical Center. Boston, MA, February 18, 2005
98. Boston University Medical Center Department of Medicine Grand Rounds,. Boston, MA, February 18, 2005.
99. Medical Grand Rounds and House Staff Conference, Depts. Of Medicine and Division of Gastroenterology, Columbia University Medical Center, New York, NY, June 7-8, 2005.
100. Medical Grand Rounds and Fellows Conference, Department of Medicine, University of Illinois. Chicago, IL, November 29-30, 2005.
101. Psychiatry and GI Grand Rounds. State University of NY. Stonybrook Medical Center. Depts. Of Psychiatry and Division of Medicine. Stonybrook, NY, April 3-4, 2006
102. Medical University of South Carolina, Division of Gastroenterology, Charleston, SC. September 1, 2006.
103. University of Texas Department of Medicine and Division of Gastroenterology at San Antonio, TX. May 2, 2007.
104. Rush University Medical Center, Department of Medicine and Division of Gastroenterology, Chicago, IL. June 27, 2007.
105. Tohoku University, Department of Behavioral Medicine, Sendai, Japan. August 30, 2007.
106. Department of Medicine and Division of Gastroenterology Northwestern Memorial Hospital. Chicago, IL, April 29, 2008.
